### SUGGESTIONS!

Firstly—We would suggest that you inspect our immense and choice stock of new Spring Silks before you make your purchases. We use no words to induce you to buy. The Silks must speak for themselves. Their prettiness and exclusiveness of designs, their goodness in quality and lowness in price will be eloquent demonstrations of their worthiness even to the poorest silk judges.

Secondly—We do not know whether to suggest plain Taffetas or fancy Silks—they are all so pretty and stylish. We merely mention prices, ask you to compare and make your choice: Plain Taffetas in all colors at 40c and 50c; in Black also at \$1 and \$1.35. Our stock of Fancy Silks was never so large or select. They come in the new insertion and corded effects; prices 70c, \$1, \$1.35 and \$1.50. Most of these are in waist patterns only. New Foulards, with the new shawl finish, worth \$1.25, our price 80c a yard. The very latest fad is the Silk Handkerchief waist. We have them at \$3.50 the pattern. Your inspection cordially invited.

### NUMEROUS NEEDFUL NOVELTIES.

The many little novelties that go to make the stylish costume complete are well represented here. The new Pulley Belts, 25c to 30c; Pulley Belt Buckles, 25c; Pulley Belt Rings from 25c to 30c each; Mull turnover collars at 15c, 18c and 25c; the new Lace Ties from 50c to \$1.25; Mercerized all-over Laces in Black, Ecoré and White from 98c to \$3.25 a yard; Lace Applique Bands from 15c to \$2.50 a yard; Jetted Net from \$1.25 to \$2.25 a yard. Besides these we have the latest dainty Cream Laces, Tucked Mousseline and Swiss and all the new trimmings that Dame Fashion decrees as up to date.

## Her Majesty's Corset.....

### BRACES THE BACK!

Frail women and growing girls take comfort! Her Majesty's Corset will relieve you of much of your discomfort. It braces the body and eases the back. It prevents that stooping habit. It cures round shoulders. Women who wear Her Majesty's Corset are distinguished by their graceful carriage and perfect contour. Nor corset quite like it; none quite as good.

### CAUGHT A THIEF.

A Fourth Ward Gentleman Neatly Traps a Chicken Thief.

The Fourth Ward has been partly relieved.

Some time ago several families were relieved of enough nice fat hens to supply the egg market for several days, and no clue to the thief was found.

Monday night Mr. J. W. Foxworthy was relieved of the possession of six nice hens, and he determined to catch the reliever.

He procured a large steel trap and set it where Mr. Thief was bound to hit it if he got close enough to the henhouse, and yesterday morning Mr. Foxworthy had the trap loaded down with a large four-legged coon.

It didn't take him long to kill it with a poker.

The coon belonged to a neighbor, and had been gone away from home for over a month.

If Mr. Foxworthy will only capture the coal thief of that Ward he will be given an ascension in the big balloon.

Rivermen, having nothing else to do now, are discussing the possible closing of locks Nos. 1, 2, 3 and 4 on the Monongahela river. The Stanley, the White Collar Line boat that has been sunk for a month or more at Ludlow, has been taken to Madison, where she will have the mud cleaned out of her and be patched up for future use. A bill that has been introduced in Congress will affect navigation on Western and Southern rivers if it is not modified to conform to Western and Southern navigation. The bill limits the length of hawsers between vessels and their tows. It provides a penalty of \$50 and not more than \$250 against the master and the owner of the boat for violation of the act, and six months imprisonment.

The Steamboat Inspectors are endeavoring to place the blame of collision between the towboats Clarke and Pacific No. 2 in the Ohio river on some one, and rivermen are anxiously awaiting the outcome of the investigation. Captain Woodward was suspended, but appealed, and had the case dismissed. The case is attracting a great deal of attention among rivermen at all points.

### Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. ### Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous surfaces. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O.

### Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Pecor.

STORE FOR RENT CHEAP.

## ENGLISH HOME SPUN!

The Real Thing, \$2.50 and \$3.

No matter about the season, no matter about fads, home spun holds its place always. For tailor-made gowns it ranks with chevrot—unchallenged. The difference between the real and imitation is plain as day. The genuine is clear—every thread distinct. The imitation is blurred. This year's colors are blue, gray, brown and green mixture. Nothing more serviceable, more distinctly correct for spring tailor-made gowns.

### SPRING GOLF SUITING!

The new double-faced cloths are lighter in weight and color. Grays with gay or grave plaids; blues with bright backs; blacks with black-and-white—a dozen combinations as attractive in their modesty as those of winter were for brilliancy.

### NOVELTIES!

"Pulley Belts" and Collars. Also rings and ribbons for making them in all desirable shades. 25c.  
"Hook-on" Stocking Supporters. Won't tear corsets. No dragging at waist. Holds in fullness of figure to an appreciable extent. 25c.
